# Small Groups

---

Small Groups are vital in the life and living of Birkdale Baptist Church. We believe that being a part of small group is essential for those seeking to grow more like Jesus.

We believe it is important to meet in large groups on Sunday for celebration, worship and teaching from the Word of God. It is equally important to meet in small groups for worship, fellowship, encouragement & support, prayer and nurturing care.

Please receive this as **your personal invitation** to join a small group.

Check out the Small Groups on offer and pray about your involvement. Not only will you be enriched by attending, but you bring a unique contribution to the lives of the rest of the group.

When you've decided on which group you'd like to join, contact the group leader direct, or call or email the Small Groups ministry area leader.
