Sermon Outline - Birkdale Baptist Church – 7/3/10

“Missions Exists because Worship Doesn’t”

When God turns up He commissions us to be witnesses but that is scary ...

When God turns up he _____ us for witness

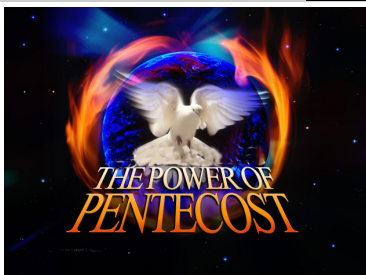

When we are _____ by the Holy Spirit,
we are identified as part of Christ’s family

When we are _____ by the Holy Spirit,
we are empowered & equipped for service

What needs to be cleaned out of your life for you to be filled?

When God turns up he _____ for witness

The Holy Spirit drew the crowd

The Holy Spirit enabled the message in their language

The Holy Spirit inspired their praise of God.

The Holy Spirit scratched the hearer’s itch.

The Holy Spirit elicited questioning & then answered them

Evangelism and Witness is centred on the work of _____, not us. That’s freeing.
Our role is to be _____ in God’s hands.

What is stopping you being God’s instrument?

When God turns up he _____ people

The Holy Spirit brings people to the _____ - to accept Jesus or reject Him.

God won’t force people to choose Him and so rejections are inevitable, but so are those who accept him.

Am I involved in bringing people to faith?
